Dear Mr. McKenna,

I am writing you as a member of the school board at NewLA Charter Schools. The proposed ban on new charters that came out of LAUSD negotiations with UTLA does not serve the students and families of Los Angeles. No matter our roles as members of this educational community, we all share a common goal: providing the best education for all Angelenos. This proposal does NOT serve anyone & I urge you to vote against it.

Thank you for supporting strong educational values with a "no" vote.

Sincerely,

Deb Christenson
